**The Initial distribution of funds:** One-half (½) of the total award of \$1,000 will be issued upon receipt by the Supreme Inspector of a paid registration notice (which verifies registration) for the first (FALL) semester.

To maintain eligibility for the second semester, each recipient must provide the Supreme Inspector with

- A transcript reflecting at least a 2.75 GPA for the semester.
- Paid registration receipt for the second semester reflecting enrollment in at least twelve (12) credits during the second semester.
- Affirmation she has remained unmarried, if an active Rainbow Member.
- Affirmation of her continued commitment to personal conduct which is significant of a Rainbow member.

Variance in scholarship distribution may apply for non-traditional educational pursuits – for example, a real estate program may cost \$750 – in which case, that is the total amount that would be disbursed. At no time will a total annual distribution exceed \$1,000 or the “cost” of the training.

**SUCCESSFUL RECIPIENTS** will be notified in writing or by email by the Supreme Inspector of their award following Grand Assembly, however, they will not be reminded to submit either fall or spring registration, transcripts, etc. If recipients fail to request their scholarship check by October 1 for fall semester or February 15 for the spring semester, the funds will be returned to the Scholarship Fund. Exceptions will, of course, be addressed for institutions on quarter versus semester educational year.
