

GWA Newsletter
August/September 2011

DO you know that no two snowflakes are alike? Each one is unique and different. Each one is small and, by itself, makes little of an impact, but together they make the beautiful snow covered Sierra Nevada Mountains that we can all see from Reno to Las Vegas. This year all of us, together, will be making a big impact. We have seven Grand Bow Projects, two Alzheimer Walks, one Bagging Memory Loss event, ten assembly service projects we can help with and so much more.

I hope you are all having a phenomenal summer and have been spending time with, not only the girls in your Assembly, but in the girls in other Assemblies as well. Those of us who traveled to WA/ID Grand had a perfectly fabulous time. It was my first out of state Grand and - well what can I say -- there is nothing like a Rainbow Road Trip.

I am looking forward to seeing all of your pretty smiles at Leadership. The Grand Line is planning lots of fun times and a few serious ones as well. Be sure to bring your Grandie Handbook, some paper and a writing utensil. If you have anything you think needs to be discussed, please let one of us know so that we can add it to the agenda. Don't forget your Grandie Profiles so that we can all learn about each other. If you need any help there are some guidelines in you handbook on page 63, and if you have questions feel free to ask. We will be continuing our Build a Grandie program so our Visors, Hair bows and Business Cards (be sure to bring 50) will be due. Also half of the dress deposit is due, along with 10 dollars for the delicious food that will be served through out the weekend.

I hate to be pesky, but here are some deadline reminders...

AT LEADERSHIP WEEKEND-

WAA

- Submit budget for presentations to the SI
- Submit tentative design for GWA's quilt to SI.

Charity

- Submit plans for statewide Fund Raising Projects

Hope
